

## **iBosses signs mobile learning JV**

AAP OCTOBER 28, 2015 10:28PM

**IBOSSES Corporation Ltd and Coursepad Pte Ltd have signed a memorandum of understanding to jointly develop entrepreneurship training through mobile learning in Asia.**

COURSEPAD is the founding company of Coursepad, a learning and communication platform that delivers personalised learning reminders, content and activities. It mainly partners with consulting firms and training organisations, via using Coursepad to present a clear end-to-end solution to their clients.

Initially, the proposed 60:40 joint venture will be responsible for corporate management, consultation services, develop technological platform for entrepreneurship training and support in marketing and sale of mobile learning services
