

Managing Director of Bourse Communications, Rod North, featured on Small Caps

30th July 2019 (43 min)

Rod North from Bourse Communications joins Filip Karinja of Small Caps to discuss his predictions as to where the Australian stock market is headed next. Topics covered include:

- ASX to make all-time highs in 2019
- why it's taken this long for the Australian market to reach this level
- why the market is headed higher
- when and why share markets will drop in future
- global economic climate
- the political landscape and why Trump will be re-elected
- future predictions
